## Executive Health

### Dr. Locke's Prescription for a Better Life

Healthnetwork is an advocate of preventive medicine and Executive Physicals. Over the years we have received many questions about these programs. For answers we turned to **Donald D. Hensrud, M.D., M.P.H.**, Chair of the Division of Preventive, Occupational, and Aerospace Medicine at the Mayo Clinic in Rochester, MN. [Read More >>](#)

## Thank You to our Donors

Thank you to the 98 families from more than 25 states who donated to Healthnetwork's *2010 Annual Appeal*. We raised more than \$260,000, a 150% increase over last year's total. In addition to helping fund our vital daily operations, proceeds will go directly to America's top hospitals and provide research grants to the most innovative physician-researchers who demonstrate a long-term commitment to premium level patient care and who have an interest in bettering tomorrow's healthcare. A special thank you to **Steve Lyman** of Rancho Santa Fe, CA, Chairman of the *Appeal*, and the following lead donors:

**Brenner Foundation** (Chad and Carol Brenner), Ft. Lauderdale, FL; **Harry "Hap" and Meg Esbenschade**, Vienna, WV; **Anne and Bill Kilroy**, Chagrin Falls, OH; **Spinnaker Foundation** (Jennifer & Derek Malmberg), Far Hills, NJ; **John and Connie Taylor**, Key Largo, FL; and two

families who wish to remain anonymous.

## Access to the Best

"I heard a commercial on the radio celebrating Cleveland Clinic's #1 ranking in cardiology for the 16th year in a row. When my cardiologist in central New York confirmed it was time to fix a leaky valve, I figured Cleveland Clinic was the place to go. Through Healthnetwork I was connected to the Chairman of Thoracic and Cardiovascular Surgery, who had performed over 100 surgeries a year since the mid-90's. Needless to say, I knew I was in the hands of a very experienced and talented surgeon."
